THE UNIVERSITY OF THE SOUTH

## Department of Biology CELL BIOLOGIST

The Biology Department at the University of the South seeks a Cell Biologist for a position as Tenure-Track Assistant Professor in one of the nation's top liberal arts institutions. Primary teaching responsibilities will be in Cell Biology and Biochemistry.

The successful candidate will maintain an active research program with opportunities for undergraduate involvement. Candidates should be enthusiastic about developing a teaching and research program in the context of the liberal arts tradition in education.

The University of the South comprises a highly-regarded College of Liberal Arts and Sciences and a distinguished School of Theology. It is an institution of the Episcopal Church that welcomes individuals of all backgrounds. It is located on a striking, 13,000-acre campus on Tennessee's Cumberland Plateau.

Eligibility for employment is contingent upon successful completion of a background screening. Applications will be considered until the position is filled. Review of applications will begin October 21, 2011, and continue until the position is filled.

Send a letter of application, curriculum vitae, statements of teaching and research interests, transcripts, and three letters of reference to:
