

To arrange or not—a Discussion on what is right or wrong

Organizer and Leader: Beverly Buchanan

Richard Giszczak

John Gouwens

Phyllis Webb

Guest: Dr. E. Michael Harrington from Belmont University, Nashville

10:30 AM

19 June 2007

Many of our members will remember Dr. E. Michael Harrington who gave the presentation on copyright laws at the Berea Congress in 2003. Dr. Harrington teaches intellectual property law and music business at Belmont University in Nashville. He has worked as consultant and expert witness in hundreds of music-copyright-infringement matters, has been interviewed by print, radio, television and Internet sources and has written numerous published articles on the subject.
