

Arranging for Carillon

Meet in Gailor Auditorium (basement)

Leaders: Milford Myhre and Sally Slade Warner

Myhre and Warner will comment on arrangements that have been submitted to them in advance (see below). You MAY submit an arrangement, but you do NOT need to submit an arrangement in order to attend!

Those interested in submitting arrangements for examination by presenters Sally Slade Warner and Milford Myhre are requested to proceed as follows:

1. Submit a clear manuscript copy to M. Myhre by 1 June '07, so that it can be prepared for projection on a large screen.
2. If a CD recording of the arrangement played on the carillon exists, send it at the same time. (The sound may be quite different from a rendition on the piano.)
3. Try to submit arrangements of only one or two pages, if possible, since time will be limited.
4. Feel free to contact Milford or Sally, if you have questions.
